

Benefit Levels for 2025 National Conference

Below are the Benefit Levels for complimentary rooms, airfare, etc., paid for by Kovack based upon your 2024 production. You should use this table in conjunction with your 2024 Kovack 1099 income to determine your benefits listed below.

NOTE: If you joined Kovack anytime **during 2024**, then you will need to annualize your 2024 Kovack 1099 income to determine your annualized production. To do so, divide your 2024 Kovack 1099 income by the number of months you were with Kovack during 2024. Then multiply that number by 12 to determine your annualized 2024 income. Simply match this number against the table below to determine your benefits.

(Example - If you joined on March 2nd and your 1099 states \$120,000, then you would divide \$120,000 by 10 to equal an average of \$12,000. Then annualize your production by multiplying \$12,000 by 12 to equal \$144,000. Simply match this number against the table below to determine your benefits).

Production Level

Benefit Level

\$1,000,000 and Higher
